Detachable lid with integrated cutting board

High brightness white LED light

Anti-shake, anti-vibration and incline operation up to 45° angle in short time

Digital LED display for temperature precise setting and USB charging

VITRIFRIGO PLUS FREE ACCESSORIES

OPTIONAL - FOLDABLE SOLAR PANEL BAG

100W or 200W Solar Panel
19,5Vdc max power voltage (5,5A).

Light weight, portable and stable output voltage and current, it converts solar energy into electricity and then charges the 15600mAh detachable lithium ion battery (optional). You can connect more items at the same time with a parallel cable to increase the charging speed.

OPTIONAL - BATTERY

15600 mAh detachable lithium ion battery: can keep 4-6 hours of battery life for outdoor use

OPTIONAL - SLIDES

Except for: VFC15 - VFD115

Heavy duty solid steel, high quality powder coating, zinc coating galvanized never rust. Double side lock-in and lock-out system. 4 straps to secure the fridge. Mountable to any flat surface.

OPTIONAL - COVER

Protect your fridge during outdoor use.

The cool cover is perfect to add extra insulation and to reduce power consumption.

A great protection against excessive movement, dirt, dust, sand and moisture or water splashes.
